Colonel Harris B. Hall
Assistant Chief of Staff, Intelligence
Headquarters, Pacific Air Forces
APO 953
San Francisco, California

Dear Harris:

25X1 Thank you for your letter of 28 March 1958 suggesting
[redacted] as a candidate for a possible assignment
with this Agency.

25X1 Unfortunately, at present we have no requirement for
an officer with [redacted] qualifications and it does not
appear that our situation in February, when [redacted] will
become available, will be any more encouraging. Incidentally,
25X [redacted] has previously been suggested to us and we were well
aware of his qualifications. We understand that he has already
been tentatively scheduled for an intelligence assignment with
Headquarters, USAF, so it appears that his future as an asset to
intelligence is reasonably guaranteed.

25X1 Thanks for your interest and, as you know, your suggestions
are always welcomed.

Sincerely,

/s/ Pearre

C. P. Cabell
Lieutenant General, USAF

P.S. (Added by Gen. Cabell:) Sorry to have missed you on my flash
earlier this month. /s/CPC

Dear Pearre:

I would like to suggest Major [] USAF, [] for duty with the Agency. Major [] would be exceptionally well qualified, temperamentally and professionally, for such an assignment.

During a three year tour in the Far East Major [] has had an opportunity to obtain a broad background in Intelligence. In 1955 he was assigned to the Estimates Division of Intelligence in Headquarters FEAF. In early 1956 he was assigned to the Office of Deputy for Intelligence FEAF as the Assistant Executive Officer. In October 1956 he joined the 6002nd Air Intelligence Service Group and for the next ten months commanded the 6004th Air Intelligence Service Squadron. In September 1957 he was selected for assignment to the Plans and Policy Branch of J-2 on the Staff of the Commander In Chief Pacific. Major [] is presently head of the Russian Section in the Intelligence Branch of the J-2 Staff.

Major [] will be returning to the States in September 1958 to complete his graduate work on a Master's Degree in Mass Communications. (The period of TDY, at the University of California, in Berkeley, will be completed 30 January 1959)

Major [] is anxious to continue in Intelligence. He is 37 years of age, married and has two children. He did outstanding work for us, both in the Executive Office and as Commander of the Air Intelligence Service Squadron in Japan. Also he has done well at Pacific Command. He has an exceptional potential for the future.

Sincerely,

HARRIS B. HULL

Colonel, USAF

Assistant Chief of Staff,
Intelligence

Pearre:

I have written a similar letter to Gen. Series recommending [] for duty with the Agency or Intel. at Hq. U.S.A.F. As you know I confine my recommendations to those officers who are outstanding in their assignments with both enthusiasm and ability. [] is outstanding and would welcome an assignment with the Agency. He is a rated pilot H.H.
